OUR GOVERNANCE PARTNERS

10
partner
universities
spread over
4
continents

18
leaders on the Student
Climate Leadership
Council to carry the
voice of members

I think the strength of this network is really its international dimension. You'd think it would make creating projects more complicated, but in fact it does the opposite. It allows our struggles to converge. "

- JULIE, UNIC MEMBER (FRANCE) ON THE STUDENT CLIMATE LEADERSHIP COUNCIL

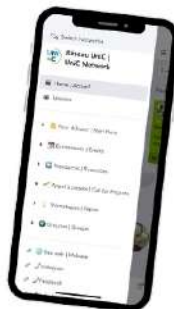

MEMBER SATISFACTION AND RESPONSE TO THE NETWORK OFFER

86%
of members are
satisfied with their
participation in the
